

Who are we?

Arts and Culture Alpine County is a local agency formed in 2023.

Our board of directors includes local artists, musicians, and businesspeople living and working in Alpine County.

Mission Statement

Providing leadership to support, promote, and connect arts and culture in Alpine County.

Where are we located?

Arts and Culture Alpine County is currently planning our office on Alpine County school district property at 100B Foothill Road in Woodfords.

The new arts and culture organization for all of Alpine County

What do we do?

Arts and Culture Alpine County connects with local artists to provide community events that showcase their talents.

We also coordinate with schools to enhance arts for students with workshops and the sponsoring of youth performances.

We also partner with other local organizations, such as Alpine Watershed Group, to offer family-oriented events that showcase the natural beauty of Alpine County. Partnership examples include hikes to historical and anthropological sites, and environmental film festivals.

How are we funded?

Funding comes from a combination of grants, donations, and government agencies.

We are currently seeking non-profit (501c3) status. Until that application is approved by the IRS, our partner organization, Arts and Culture El Dorado, is supporting and mentoring us with their grant from California Arts Council.

How can you help?

If you would like to donate to further our mission please write a check to Arts and Culture El Dorado, which maintains our finances for us, at the below address. Make sure to include ACAC in the memo line of the check!
